### **EARLY REPAYMENT OF € 30 MILLION OF THE "SENIOR" LOAN WITH THE ROYAL BANK OF SCOTLAND AT THE END OF SEPTEMBER**

*Milan, 18 September 2008* – Seat Pagine Gialle has given order to the Royal Bank of Scotland for the voluntary early repayment of the remaining € 30 million of the € 81.7 million instalment maturing December 2008 of the "Senior" loan (an early repayment of € 51.7 million had already been made in June 2008).

The early repayment, made possible by high operating cash flow generation, is part of the policy to continue with the steady reduction of debt as a priority.

Since 22 April 2004, starting date of the financing scheme resulting from the acquisition, the Company will have already repaid approximately € 1,141 million by the end of September 2008, including € 255 million arising from the securitisation of trade receivables, which took place in June 2006.
