

PRESS RELEASE

Milan, 26 June 2013 - With reference to the rumours reported by the media, the Company would like to clarify that it does not believe it appropriate to make any comment, inasmuch as no new circumstances have occurred that would change the set of information previously disclosed to the market — on 27 May and 31 May 2013 — regarding the timing of approval of the draft financial statements for the year ended 31 December 2012 and the presentation of the proposal for composition with creditors. These items are on the agenda of the Board of Directors' meeting scheduled for tomorrow.

In abidance with the limits imposed by applicable laws regarding the composition with creditors procedure currently underway, the Company will keep the market constantly and timely informed of all developments relating to the initiatives that will be undertaken.
