The net financial indebtedness of the SEAT Pagine Gialle group at November 30, 2015 is positive and amounted to € 112,356 thousand compared to € 71,401 thousand at December 31, 2014.

The change of € 40,955 thousand compared to December 31, 2014 is mainly attributable to the net operating cash flow and to the collection, which occurred at the beginning of February, of the entire sum of Euro 30 million due under the settlement for the action of responsibility, and the dissolution of five of the seven leases agreements that permitted to reduce the net financial indebtedness of about 23.2 million.

Moreover in early April we have made payments under the agreement for the dissolution of 5 of 7 leases agreements and overdue payments totaling € 4.6 million.

It should be noted that, on April 17, 2015 the Subscription Price of Shares (warrants) was communicated, so this financial instrument has become an option classified as equity because the price is now defined and in the case of exercise involves the delivery of a fixed number of shares; consequently the financial liability recognised and arising from the accounting at fair value in the period between the date of execution of the capital increase and the date of the fixing of exercise price, is no longer included in the net debt.

The net financial position of SEAT Pagine Gialle S.p.A. as at November 30, 2015 is positive and amounted to € 109,323 thousand (positive for € 73,851 thousand as at December 31, 2014) .

The change of € 35,472 thousand compared to December 31, 2014 is attributable to the same effects described for the Group; in particular i) on February 10, 2015 the Company announced in a press release the collection of the entire sum of Euro 30 million due under the settlement offer approved by the shareholders' meeting held on 27 January 2015, ii) on March 31, 2015 Mediocredito Italiano S.p.A.(ex-Leasint S.p.A) and Seat Pagine Gialle S.p.A. have reached an agreement for the dissolution of five of the seven leases agreements relating to the Company's headquarters pursuant to art. 169-bis of the Bankruptcy Law in connection with the authorization of the Court of Turin with a order filed on July 9, 2014.

3) SEAT Pagine Gialle group debt positions overdue, distributed by type (financial, commercial, tax, social security contribution and to employees payables) and any related initiatives in response from the creditors of the group (requests, demands, suspensions of funding, etc.)

The payment in cash of creditors was completed in accordance with the terms and conditions described in the composition with creditors proposed and in the approval decree of the Court.

The group trade payables due at November 30, 2015 amount to € 13,938 thousand of which € 11,379 thousand was paid in December 2015. This situation is to be viewed as representative of the normal scope of commercial relations with SEAT Group suppliers.

On November 30, 2015 there were not financial and social security contribution debts overdue.

The overdue tax debts are small amounts and have not compromised in any respect the ongoing of the ordinary activity.

The Group's suppliers action to recover amounts are limited and they have not compromised in any respect the ongoing of the ordinary activity.

With reference to the contact between the UK pensions authority ("*the Pensions Regulator*" – tPR) and the trustee of the pension fund of UK subsidiary Thomson Directories Ltd, there is no news to report than previously announced.

On 13 November 2014, Contacta S.p.A. has submitted a request for arbitration, concerning the contract of services inbound call center in place with the Company, concerning a debt included in the composition with creditors procedure of about 1.7 million euro which the Company has not paid for the reason that the procedure forbids the payment of debts arisen on or before the date of the petition.

The parties entered into negotiations in order to an agreement, signed by the parties in form of a private settlement agreement dated July 8, 2015, providing for the mutual release of all claims and dismissal of the arbitration (which in the meantime declared a recess to permit the parties to proceed with the settlement) with payment of costs.

On December 24, 2014 the Company received a tax notice issued by the Italian Tax Authorities - *Agenzia delle Entrate - Direzione Regionale della Lombardia* - (hereinafter the "DRE"), with which it disputes the failure to apply, in 2009, withholding tax on interest paid to Royal Bank of Scotland (Milan branch) in the context of so-called "Senior" financing. According to the reconstruction of the DRE, the Company should have applied withholding tax on part of the interest paid to the Royal Bank of Scotland. Such withholding tax considered omitted in 2009 was quantified by the DRE at approximately €5.2 million, plus approximately €1 million in interest. The DRE has not applied sanctions, whereas the issue is characterized by objective uncertainty; therefore the total demand amounts to approximately €6.2 million.

The aforementioned tax assessment notice was partially withdrawn by the DRE through internal review procedures (in order to correct its own calculation errors) and the amount of the assessed withholding taxes was reduced to €3 million.

The Company, supported by its own tax advisors, therefore challenged the tax assessment: the appeal, aimed to achieve the full cancellation of the claim, was notified to the Agenzia delle Entrate on May 13, 2015 and filed, for formal proceedings at the Provincial Tax Commission on May 25, 2015.

As required by the rules on Collection, on May 21, prior to the formal proceedings, the Company made the payment, on a provisional basis and pending judgment, of one third of the amount requested, amounting to €1.2 million. The above mentioned appeal will be discussed at the Provincial Tax Commission on November 3, 2015.

On October 2, 2015 the Company received five tax assessment notices issued by DRE, which followed the one received on December 24, 2014 refers to the year 2009 and assessed unpaid withholding tax on interest paid in the years 2010 to 2012 to the Royal Bank of Scotland within the financing so called "Senior" quantified by the DRE in about 7.7 million euros, in addition to about 8.0 million euros in fines and 1 million of interest. Therefore the total demand amounts to approximately 16.6 million euros, plus accrued interest.

In light of the foregoing, the Company had engaged tax advisors to appeal against the tax assessment notices issued for fiscal years 2010, 2011 and 2012.

On December, 1 2015 the tax court of first instance (Commissione Provinciale Tributaria) of Milan accepted the company's reasons and ordered the annulment of the notice of assessment for the tax year 2009.

Since the assessment notices had executive value, the company paid on a provisional basis, an amount equal to € 1.2 million: this amount will be reimbursed by the first months of the 2016.

On 22 December 2015, the quotaholders' meeting of the subsidiary Glamoo Srl resolved to proceed with the liquidation of the Company as a consequence of the gradual slowdown of its activities which it led to believe that an hypothetical plan for relaunch of the its activities is not convenient.
